

# Westport Center for Senior Activities

## Volunteer Opportunities

### Program Volunteers

Do you have a talent, hobby or special interest you would like to share with our seniors? Holly Betts, Assistant Director is always looking for new program ideas and volunteers.

### Special Events

Throughout the year, the senior center has special events such as barbeques, holiday parties and lunches.

### Tech Help

The WCSA needs volunteers to assist seniors with their tech devices. If you are tech savvy and would like to help, please let us know.

### Lunch Servers for Daily Lunch Program

The WCSA serves lunch Monday through Friday, from 12:00 to 1:00 PM. Volunteers are needed starting at 11:30 AM to help set up, serve and clean up after lunch. You may volunteer for a single or multiple day(s) of the week, every week or you can sign up as a substitute server.

### Home Delivered Meal Program

The Home Delivered Meal Program is operated by the Westport Center for Senior Activities, an operation of the Town of Westport's Department of Human Services. We provide nourishing meals to Westport residents whose age, illness or disability prevents them from meeting their own nutritional needs. The Home Delivered Meals Program relies on volunteer drivers. We need volunteers who are willing to take one driving route on the same day, every week or you may volunteer to be on our substitute list.

### Hello Neighbor Program

We are looking for volunteers to help with Westport's "Hello, Neighbor" Program. This program allows seniors to connect with volunteers through friendly phone calls and this program also assists with basic grocery runs.

### General Volunteer Assignments

Don't see what you're looking for? Would you like to be added to a general volunteer email list to be notified as projects become available? Please let us know.
